2324 Ida Lane, Nanoose Bay

5 Weeks to a Great Soloist's Voice is designed for people who have little or no experience as a solo singer, as well as experienced soloists who are ready to move to another level of performance. The workshop is presented as a group lesson, and covers all mainstream genres of music sung by participants.

The goal of this workshop is to give you a place to express yourself artistically and gain confidence in a nurturing environment where you feel the support and genuine friendship of the other vocalists in the group. It is a wonderful way to experience singing as a soloist in an inclusive environment with people like you, who want to get a little bit out of their comfort zone!

Bring a friend and some song ideas. If you aren't sure what you want to sing, give Tamara a call for help. Step over the threshold and into a world of fun!
